Müller-Thurgau

Variety: Müller-Thurgau

Provenance: Family Hausammann Iselisberg.
On the sunny southern slope of lower Thurtal.
The handcrafted grapes are obtained from own cultivation, gently processed in our cellar, carefully matured and bottled.

Colour: Bright yellow

Bouquet: Müller-Thurgau convinces with its delicately fruity muscat bouquet.

Taste: This palatable, fresh white wine convinces with its consummate balance of acids and sweetness. On the palate, a cocktail of summer fruits.

Vinification: With malolactic fermentation. Following the grape harvest, it is directly pressed and matured in a tank.

Serving temperature / food recommendation:

10 - 12 °C.

Goes ideally with aperitifs as well as cheese, fish and starters. Needless to say, it also goes perfectly with asparagus and as a little "in-between" pleasure.
